# OUR BUSINESS STORY

## INTRODUCTION

With an eye for detail, the difference is clear when it comes to style and excellence.

At Villa Masters, we pride in our hard-earned reputation as an **Interior Design Company** in Nairobi.

Since 2009, we entered the scene and sought to make a difference in the industry. From residential to corporate and commercial projects,

we meticulously blend aesthetics and functionality to give our clients unmatched design services that meets their needs.

### Our Vision

To be a reputable, sustainable, and desirable premier luxurious interior design firm providing state-of-the-art innovative designs and superior quality finishing.

### Our Mission

To enhance your quality of life through interior design.

To help create a space that is comfortable and chic, appealing and pleasing, organized and calming. To create liveable spaces that are functional, visually appealing and purposeful.

### Core Values

Creativity, integrity, innovation, excellence and passion are our core values. Design is at the heart of everything we do. As such, we deliver functional designs that meet the needs and budgets of our clients.

integrity

## THE QUALITY OF BEING HONEST AND HAVING STRONG MORAL PRINCIPLES.

We believe this to be the key in building strong partnerships and healthy work relationships with our stakeholders, clients and contractors.

Honest and transparent processes from start to finish.

Committed to providing the best of the best of designs.

# OUR EXCELLENCE

The pain of enduring a project with minimal to zero amusement is something we have laboured to eliminate for our clients. What is a project if there is no thrill and excitement to see the end of it? For us, we combine skill, finesse, and enthusiasm to ensure our clients are beyond satisfied.

# THEY TRUST OUR EXCELLENCE IN STYLE

We believe that beyond the boardroom plan, the commitment to a near-perfect execution is non-negotiable. This has led many clients to us due to our distinctive designs and exceptional delivery.

# OUR COMMITMENT

We believe that it all rests in one's word. Ours is bold and one that we confidently commit to. Our services and products are defined greatly by excellence and class. Yet still, we know that this has to be consistent if we have to keep our clients satisfied.

As such, we have a quality assurance policy that ensures that all our work goes through scrutiny and all the checks have been passed successfully. We are keen to offer our clients timelines that we are confident we can deliver as well as maintaining constant communication with them throughout the course of the project.

- » Ceiling works
- » Wall to wall carpets
- » Professional Paintwork
- » Vertical and roller blinds
- » Wallpapering, etc.

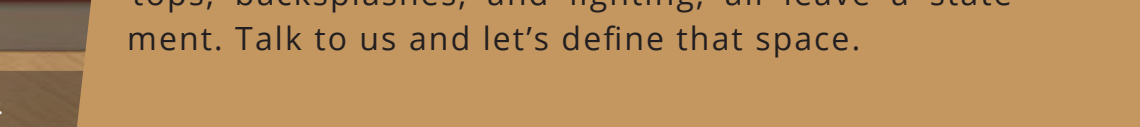

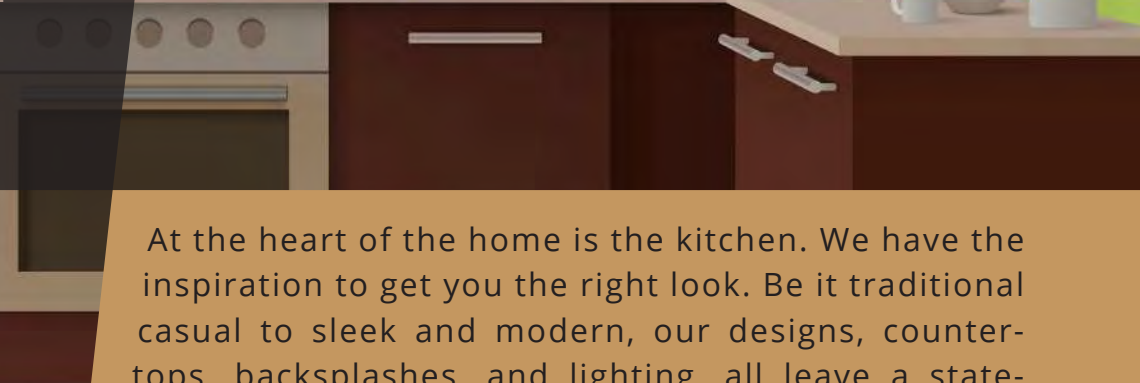

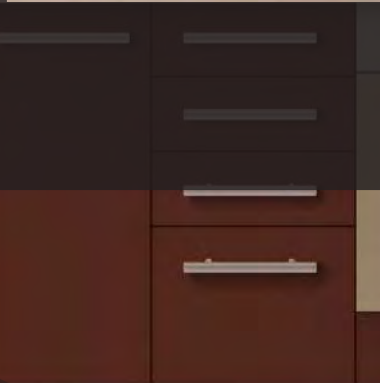

# RESIDENTIAL INTERIOR DESIGNS

Home is where we all want to be after a long day of pushing the cart. This should resound with what brings you comfort and peace. We understand this and therefore deliberately brainstorm with you to help you arrive at what you want. The diversity in styles is reflected in the skilful team we have. We believe that every imagination or idea is possible until proven otherwise. From concept to completion, we undertake interior projects in every aspect: repairs, design painting, flooring, furniture, and relocations.
